

REQUEST FOR HUMANITARIAN FUNDS

From the Academy mission statement: "The Ensign Academy of Dentistry is an organization of dental professionals who are dedicated to serving mankind. Its mission is to promote dental education among dental professionals and the general public; to promote and facilitate dental service by its members, providing manpower and expertise in dental care delivery; and to procure and distribute equipment, supplies, and educational materials to aid in patient treatment and educational pursuits."

The objective of the Academy is to further the work of the Lord by advancing (improving) dental health throughout the world, to help alleviate oral pain and suffering, and to support Academy members in their efforts to do so. (Particular emphasis is given to preparing and treating full-time missionaries and prospective missionaries so they are free of dental problems while serving their missions.) Funds may be used for patient care, facility expenses, equipment and supplies, and training/teaching materials. Travel, lodging and meal expenses are generally not covered and would only be covered by specific request and review.
